## BAR MENU

Here at Leopold's, we believe in a fully stocked bar! As you can imagine, having a few hundred thirsty guests rush a bar all at once can lead to a bit of a line, so with that in mind the format we have listed below is our best recommendation for a smoothly operating bar at your event.

All bars are billed on consumption. This means that you as the client choose a dollar amount you are comfortable hosting at the bar, and each time a guest orders a drink, we input the price of the drink into our cash register and work our way up to your dollar limit. If we do reach the limit, you have the option of either switching to a cash bar wherein your guests begin to pay for their own beverages, or you can choose to continue hosting by adding more funds to your limit.

Choice is good, but too many options can be unsuitable. We recommend 5 beer selections, 4 wines, and standard spirits to expedite service. If you would like something different, please don't hesitate to ask - it is still your day and we want to accommodate to the best of our ability!
